#### **4. New Business**

##### **a. Presentation: Representative Rick Miera – Bernalillo County Juvenile Detention Center – AYUDA Program**

Rick Miera from the Bernalillo County Juvenile Detention Center – AYUDA Program thanked the DWI Planning Council for the funding awarded to their agency and for the increased funding the agency will be receiving for FY06.

The Bernalillo County Juvenile Detention Center has booked a total of 3,303 juveniles. 99 of those were arrested for DWI or other alcohol related charges and 10 of those for MIP (minor in possession). A total of 74 juveniles were administered an alcohol and drug screening. The contract goal is to provide intensive supervision to a minimum of 80 juvenile offenders, 75 of 80 have so far been served by the AYUDA Program.

Representative Miera announced his retirement scheduled for the end of May.

##### **b. Presentation: Sgt. Steve Duranceau and Sgt. Angel Torres – Bernalillo County Sheriff's Department**

Sgt. Steve Duranceau from the Bernalillo County Sheriff's Department thanked the DWI Planning Council for the funding awarded to their agency and for the increased funding the agency will be receiving for FY06.

During FY05, the Sheriff's Department Traffic Unit split into two separate units to form a Traffic Unit and a DWI Unit. The Sheriff's Department has set an FY06 goal to focus on more than enforcement, which would include prevention within the middle schools, high schools and local colleges utilizing the Fatal Vision Community Package. The equipment will allow Deputies to present on the dangers of impaired driving while under the influence of alcohol or drugs. The package contains (6) specially designed goggles that simulate conditions at high, medium and low alcohol levels including night and day conditions. The package also contains (2) educational DVD's. The Sheriff's Department also plans to utilize the reflections program in the near future. The program is a software that allows individuals to see how they would appear after a DWI related crash or incident.

To date in FY05, the Sheriff's Department has conducted 8 checkpoints and 4 saturation patrols, which resulted in a total of 71 DWI arrests.

**b. Presentation: Mary Steil – City of Albuquerque Department of Family & Community Services (Treatment Voucher Program)**

Mary Steil from the City of Albuquerque Department of Family & Community Services (Treatment Voucher Program) thanked the DWI Planning Council for the funding awarded to their agency.

After the ASI (Addiction Severity Index) assessment provided by AMCI (Albuquerque Metropolitan Central Intake), qualified adult clients receive a treatment voucher for a certain amount of funding depending on the level of treatment required. There are a total of 27 treatment agencies contracted to serve a variety of populations and needs. Adolescents are excluded since they qualify for Medicaid.

Mary shared the following demographics from AMCI:

- 51% of the clients have a High School Diploma
- 15% of the clients have some post-secondary education
- 47% of the clients have 1 or 2 prior DWI's
- 17% of the clients have 3 or more prior DWI's
- 26% of the clients have a prior assault, battery or domestic violence charge
- 13% of the clients have a prior robbery, larceny or burglary charge

The contract goal was to serve a minimum of 600 clients, 485 were served in FY 05. All funding has been utilized.
